Does anyone in your home smoke? _____ YES / _____ NO

Is there an adult home most evenings and weekends in your household? _____

Will the hosting student be working or participating in other activities while hosting? _____ yes _____ no Explain

Sharing a room with a same-sex sibling is ok; a single room and bath are not required; likewise, the Spanish student will be in your home for 2 weeks and will need some space and privacy.

Please describe your home and the room / rooming arrangements that will be made for the Spanish student.

HOBBIES

Please describe hobbies and activities enjoyed by the whole family and also individual family members.

LANGUAGE(S)

Knowledge of Spanish is not a requirement. The students are here to benefit linguistically as well as culturally from a homestay and school experience with an American family and school.

What language(s) do members of your family speak?

Please describe your international experience: travel; language study; living abroad; hosting experience.

Why is your family interested in hosting?

PLAN

It is certainly not required to plan extensive excursions and travel during the group's stay in Manitowoc but you will probably want to plan some excursions in order to show your student some of the great activities and sites that Wisconsin has to offer. Please describe possible activities / excursions you might do while your Spanish student is staying with you in September 2020.

MESSAGE

What message would you like to share with your Spanish student at this time?
